

HELP BUILD OUR NEW COMMUNITY OF FAITH

Be Part of Small Groups at St. Philip's

Starting Fall 2016

September 2016 will be a time of rebirth for St. Philip's. We will dedicate our new church building and kick off our new program year. We will blend long standing traditions with new beginnings - to form a new St. Philip's community of faith. YOU – and your family - are part of that community.

By participating in small groups YOU will be building relationships with others.

YOU will be meeting new people and helping them learn about us.

YOU will be building our new community. So find a small group that works for you and sign up!
